Sir:

It is requested that a Certificate of Correction be issued correcting printing errors appearing in the above-identified United States patent. One copy of the text of the Certificate in the suggested form is enclosed.

As some of the errors listed are due to Applicant's mistake, the Commissioner is authorized to charge Deposit Account 13-2725 in the amount of \$100 to cover the required Certificate of Correction fee.

Issuance of the Certificate of Correction would neither expand nor contract the scope of the claims, and re-examination is not required.
